ANSWER

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYURVEDA,
YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY
(SHRI SHRIPAD YESSO NAIK)**

(a) & (b): There is no regulatory frame-work at Central level in the matters relating to education and practice of Yoga and Naturopathy. However, some States have a provision for registration of Yoga and Naturopathy practitioners. Bachelor of Naturopathy and Yoga Sciences (BNYS) is a combined Naturopathy and Yoga 5½ years Degree course. Many Institutions under different Universities are conducting three years Degree Course in Yoga, two years Master Degree Course in Yoga and also Ph. D programmes, besides, diploma/ certificate courses of various durations. Those, who have studied (BNYS) degree from a recognized University, are eligible to be registered as doctors in Naturopathy and Yoga Sciences. Those, who have studied any degree/ diploma such as B.A/ B.Sc./ M.A./ M.Sc., Diploma/ Certificate courses in Yoga normally work as Yoga Teacher/ Instructor/ Therapist, but they are not registered as Yoga doctors.

(c): A Task Force was constituted in April, 2015 by the Ministry to deliberate and make recommendations on various important issues concerning the Ministry of AYUSH, including the preferred option for promotion, development and regulation of yoga & naturopathy for education and practice. The task force has since submitted its report.
